2. TOTAL IMMERSION LANGUAGE LEARNING PROGRAM

Our total immersion program is designed to help our students achieve a desired level of target language in a short time. Each Vin-Ter level is divided into 40 topics that will help you understand the language used on a daily basis, business, academic, or professional situations. You will be learning the target language in an environment where you listen, speak, write, and think.

Vin-Ter Language School offers two options for the Total Immersion Program: the "Part-time" program consisting of 20 topics and the "Full-time" program consisting of 40 topics.

For more information about the total immersion program, housing, and visa requirements, you can contact us at info@vinterls.com or visit us at www.vinterlanguageschool.com/contact
